

Five (5) Days - Entrepreneurship Development Program on “Solar PV Rooftop”

An Initiative of MNRE-USAID

The Ministry of New and Renewable Energy (MNRE) and the U.S.-India bilateral Partnership to Advance Clean Energy - Deployment (PACE-D) Technical Assistance (TA) Program, announces the Entrepreneurship Development Program (EDP) on solar PV rooftop. To impart training, MNRE through National Institute of Solar Energy (NISE) has empanelled **National Power Training Institute (NPTI)**. The schedule of the training program is provided below:

Name of the Institution	Location	Dates
National Power Training Institute (NPTI)	Faridabad, Haryana	19 th – 23 rd March 2018

The primary objective of the proposed training program is to ensure a comprehensive understanding of the solar PV Rooftop amongst stakeholders entering this sector. The five-days training programs are particularly focused on entrepreneurs who wish to start a Solar PV Rooftop business.

Key Objectives of the Training Program

- Provide basic information on solar PV Rooftop and raise awareness amongst entrepreneurs on the following:
 - Concept, design and components with specific focus on technical architecture of solar PV rooftop system.
 - Policy and regulatory framework for Solar PV Rooftop at the national and state level.
 - Business models followed in the solar PV Rooftop market and role of respective stakeholders.
- Provide specific information to the entrepreneurs on the following :
 - Solar PV Rooftop project costing and financing.
 - Preparation of feasibility reports.
