

Five (5) Days - Entrepreneurship Development Program on "Solar PV Rooftop" *An Initiative of MNRE-USAID*

The Ministry of New and Renewable Energy (MNRE) and the U.S.-India bilateral Partnership to Advance Clean Energy - Deployment (PACE-D) Technical Assistance (TA) Program, announce the organization of the Entrepreneurship Development Program (EDP) on solar PV rooftop in collaboration with NPTI. The schedule of the training program is provided below:

Name of the Institution	Location	Dates
National Power Training Institute (NPTI)	Faridabad, Haryana	28 th Aug – 1 st Sept 2017

The primary objective of the proposed training programs is to ensure a comprehensive understanding of the solar PV Rooftop sector amongst stakeholders entering this sector. The five-days training programs are particularly focused on entrepreneurs who wish to start a Solar PV Rooftop business and become Channel Partners of MNRE.

Key Objectives of the Training Program

- Provide basic information on solar PV Rooftop and raise awareness amongst entrepreneurs on the following:
 - Concept, design and components with specific focus on technical architecture of solar PV rooftop system.
 - Policy and regulatory framework for Solar PV Rooftop at the national and state level.
 - Business models followed in the solar PV Rooftop market and role of respective stakeholders.
- Provide specific information to the entrepreneurs on the following :
 - Solar PV Rooftop project costing and financing.
 - Preparation of feasibility reports.
 - Tenders and techno-commercial reports.
 - Solar PV Rooftop project management.

Training Fee and Lodging Expenses per Participant*

- There is a registration fee of INR 5,000 per participant for attending the training program and receive the Certificate from Skill Council for Green Jobs.
- Lunch and tea will be provided during the duration of the training program.
- Those who want Lodging & Boarding at NPTI shall also pay Rs. 8850/- (5-days stay) along with application form. Lodging & Boarding shall be provided in NPTI Hostel (Twin Sharing basis) including Bed tea, Breakfast, Lunch, Evening tea with snacks and Dinner etc.
- A maximum of 30 seats are available under this training program for both local and outstation participants.

Lodging

- Accommodation for outstation participants will be on paid basis. You may contact the respective person of the training institute for it.

Important Note: No Travel or Dearness Allowance will be provided to the participants for attending the training program.

Participants will be provided certificates of participation upon successful completion of the training program as well as an Assessment will be carried out at the end of the program for Certification of Skill Council for Green Jobs

Interested candidates should fill up the enclosed Application Form and submit it LATEST by the 23.08.2017 to The Principal Director, NPTI, CO., NPTI Complex, Sector- 33, Faridabad, Haryana-121003.

List of Short listed Candidates shall be uploaded on NPTI website www.npti.in on 24.08.2017.

Targeted Participants

Since the training is being organized under the Entrepreneurship Development Program, the target participants include channel partners of MNRE with a rating of 3A and below and early- and medium-stage entrepreneurs who are interested in the process of launching Solar PV Rooftop business or established entrepreneurs diversifying their business to the Solar PV Rooftop space.

Required Qualification of Participants

The Program is designed for channel partners, entrepreneurs, startups and intrapreneur.

The following candidates are eligible to apply for the training program:

- Channel partners of MNRE with a rating of 3A and below
- Science Graduates
- Engineering Graduates (Mechanical, Industrial, Production, Electrical and Electronics)
- Management Graduates (Preference will be given to Science and Engineering Graduates)

During the selection process, criteria related to education qualification, focus sub-sector in the current business (solar and non-solar), age of venture into solar business and age of venture into non-solar business will be considered. Women are encouraged to apply for this training program as 15 seats are reserved for women participants. The decision taken by USAID PACE-D Program will be final in the selection process.
